

## News

### Statewide smoking ban goes into effect this Monday

On Monday, July 5th, 2010, the State of Wisconsin's "Smoking Ban" (2009 WI ACT 12) becomes the law. The WI Department of Justice has released an Advisory memorandum to assist law enforcement and other groups in addressing the new requirements established by 2009 Wisconsin Act 12 that relate to smoking in public places. The Advisory summarizes the requirements of Act 12 and how the Act is enforced. Finally, the Advisory concludes with some frequently asked questions about the Act.

The Advisory can be found on the [Wisconsin Department of Justice](#) website and on [The Chamber of Manitowoc County's](#) homepage, with additional resources available there as well.

### CareerOneStop.org

[CareerOneStop.org](#) is sponsored by the ETA and provides employment information for individuals and businesses. For individuals, the website focuses on access to training, as well as information on career research, salary data, and the job application process. For businesses, the website provides information on hiring, training, and employee retention, business development, and local labor markets.
